How can the tongue set your life on fire?

What are some ways we can 'tame' our tongue?

Apply

In this passage James talks about how the tongue can set a person's life on fire. He is stating that we need to be careful about what we say as once it comes out of our mouths it is difficult to take back. We need to make sure that what we teach as Christians is biblically accurate and honouring of Christ. Likewise, we shouldn't say nasty things or falsities about other people. We need to tame our tongue as our tongue/words represent our character and evidence of our life in or not in Christ.

Day Five

Think about how often you have said nasty things out of anger to those around you. Take some steps necessary to help tame your tongue by trying not to swear and not engaging with gossip or spreading teachings that you are unsure of their validity.

Pray

Thankyou: Give thanks to God for the wisdom of how the tongue can set a life on fire.

Sorry: Ask God to forgive the times that you have not had a tamed tongue.

Please: Ask God to help you tame your tongue so that you can display your fresh water instead of being salty.
